O'Connor WA 6163

Dear Sir

We write to say how pleased we were with the quality of catering and service we received at a recent function at which you did the catering. It was a Reunion of "Old Girls" who had attended Perth College Pre-1944 and they all expressed their delight in the meal we served. We were particularly impressed with your staff member, Andrew, and the way in which he was so helpful and happy to assist in any way and we ask that we may be able to have him at our next Reunion which we have booked for the 21 June 2008.

Thank you once again for your service and I am sure we shall use your company for many functions in the future.

Yours sincerely

(Miss) Annetta V Robotham
Honorary Secretary
