TO WHOM IT MAY CONCERN

The East Fremantle Football Club is pleased to advise that we have utilised the services of WA Spit Roast Catering since the beginning of 2006.

This catering includes a variety of functions throughout the year and in particular our President's Luncheons at every home game during the football season. They provide us with a variety of meals to suit our functions which include numerous wet dishes, carvery selection, finger foods and this year have used the noodle boxes which have proved extremely popular.

They also provide our ground catering service at each home game which has been very successful.

We find WA Spit Roast is cost effective and their staff are always very professional and obliging and willing to assist in any way to make our functions successful.

Should you require a verbal reference please don't hesitate to contact the undersigned.

Yours sincerely

PETER CAPES
Chief Executive Officer
