Dear Carrie

**Re: Garden City Staff Christmas Party**

I just wanted to drop you a quick line to extend my thanks to you and WA Spit Roast and Catering for the beautiful food that was provided at our recent staff Christmas party. The night was deemed a great success and we all had a fantastic time.

Myself and others on the staff also really wanted to compliment Noel, our chef on the night. Many of us felt that he went beyond the call of duty in catering to our needs during the evening and we would very much appreciate it if you could pass these compliments on to him. As many of us are involved in the customer service industry and, therefore, experienced in what constitutes good service, we speak with true conviction when we suggest that Noel is a great asset to your company.

On behalf of everyone at Garden City, thanks once again for your help and we would like to wish you all a very Merry Christmas and a prosperous New Year.

Yours sincerely
