

To Whom It May Concern:

Reference for WA Spit Roast

Trinity College has used WA Spit Roast & Catering since 2002. Such functions include staff and parent dinners, sporting gatherings and windups. The size in terms of numbers of people catered for range from 50 up to 400 guests at a time.

The types of meals provided by WA Spit Roast & Catering are buffet style meals which consisted of a selection of roasted meats, a variety of salads and vegetables of our choice, baskets of bread rolls and an array of desserts. Other dishes have also been provided from time to time.

The quality, presentation and quantity of food provided at each event has always been of a high standard. Staff provided by WA Spit Roast & Catering have been efficient and helpful.

Trinity College has been satisfied with the overall service provided and are happy with the ongoing relationship.

I have no hesitation in recommending their services to any other businesses or the like.

Yours sincerely
